Dear Ms. Boyd:

As required by Order No. 2020-832, Dominion Energy South Carolina, Inc. (“DESC”) is providing the Public Service Commission of South Carolina with a “summary update on IRP Stakeholder Advisory Committee meetings occurring since the previous report”, which is required on a semi-annual basis. The last report was filed on January 27, 2023, and included the minutes and presentation materials for the Stakeholder meetings of October 19, 2022 (Session IX) and the minutes and presentation materials for the Stakeholder meeting of December 7, 2022 (Session X).

DESC filed the latest report in the 2023 IRP Docket, Docket No. 2023-9-E. Between now and the next triennial comprehensive IRP, DESC intends to file reports on the IRP Stakeholder Advisory Committee in the present docket.

The present update includes the minutes and presentation materials for the Stakeholder meetings of April 5, 2023 (Session XI) and the minutes and presentation materials for the Stakeholder meeting of July 13, 2023 (Session XII), which are attached as exhibits A, B, C, and D, respectively.

The primary topics of Session XI included coal plant retirement coordination, shared CC gas plant with Santee Cooper, the 2022 and 2023 TIAs, CO₂ forecasts, and integrations costs. In Session XII the Company and Stakeholders considered, among other topics, the Inflation

Reduction Act of 2022 (“IRA”) and energy communities, the Infrastructure Investment and Jobs Act (“IIJA”) and electrification, gas supply planning, and the 2022 TIA results and the 2023 TIA.

Please contact me if you have any concerns or questions concerning this filing.

Respectfully submitted,
